WALKING ON A CLOUD Hot Fall 2011 Shoe Trends

A few key trends for us to be exceptionally happy about this fall/winter!

- Romantic Elegance featuring dress shoes with beautiful bows, ruffles and cinched leathers.
- Vintage, military and equestrian inspired styling permeates with heavy lacing, buckles, belts, straps, and bold zippers.
- Chunky heels and wedges are trendy and provide the height without the pain. They are shown in a fabulous selection of knee and ankle boots, shooties and dress shoes.
- Shearling and faux fur boots are in style and perfect for our Canadian winters.
- Luxurious suedes, soft and distressed leathers in gorgeous fall colours complete this year's look.
- Men's dress shoes and boots infused with comfort and rugged casual boots and shoes can take you from the office to an autumn hike.

And at Walking On A Cloud you'll find more than just the latest trend - these are shoes that actually fit you and are comfortable & practical...footwear you will enjoy wearing everyday & all evening. Styles in; narrow and wide widths, waterproof leathers and materials, boots temperature rated for our cold winters - and feature the latest in comfort technologies.
